

HI THERE!

Welcome to our club. We are located in the northern suburbs of Perth (Carramar), Western Australia.

We are a very sociable and diverse group of artists. Monthly workshops are held at Carramar Community Centre. We go once or twice a year on day excursions, hold several exhibitions through the year and arrange weekend getaways (locally or internationally).

Our artists: Well, we harbour different styles and mediums; some artists produce quality work sure to appeal to both the home decorator and discerning art collector.

We dabble in all forms of art mediums such as oils, acrylics, watercolours, pastels and mixed media. Some members also exhibit their artistic skills in stained glass, sculpture and jewellery.

Take a look in our [LATEST NEWS](#) section for details of current and future workshops, getaways and exhibitions.

We welcome new members!
